## PRIVATE ROOM

A very comfortable space, the Private Room is perfect for an intimate dinner, drinks or boardroom meeting. The room can be set up for a sit down or cocktail style event, and holds approx. 30 guests seated or up to 40 standing. With luxe draping, the room can be made either part or completely private, and boasts its own fire place and TV.

Alternatively the room can also be opened to become part of the adjacent main bar.

## LARGER FUNCTIONS

We offer the use of one-half of our venue for groups up to 150. Great for birthday's or larger parties, your designated area can include direct access to the bar, dedicated staff, access to our venue DJ, guest wristbands, TVs and security. Choose from two sides of our venue. On underneath our glass roof the second, larger area includes use of our Private Room.

More than 150+ guests? We can certainly cater for you by utilising both sides of our venue.

## CASUAL RESERVED SPACES & WHOLE VENUE

For something more casual or for smaller groups, we can reserve a dedicated area for your group. Great for after work drinks, we can arrange spaces for 10 guests or more. On specific occasions the entire venue can be hired exclusively for up to 265 guests.

We can offer breakfast functions or similar outside of our standard operating hours if required.
